

RoHS Statement

DeVal Ltd are committed to EU RoHS 3 (Directive 2015/863/EU). We work closely with our supply chain and require them to deliver compliant parts that do not exceed the below.

- Lead (Pb): < 0.01%
- Mercury (Hg): < 0.1%
- Cadmium (Cd): < 0.1%
- Hexavalent Chromium: (Cr VI) < 0.1%
- Polybrominated Biphenyls (PBB): < 0.1%
- Polybrominated Diphenyl Ethers (PBDE): < 0.1%
- Bis(2-Ethylhexyl) phthalate (DEHP): < 0.1%
- Benzyl butyl phthalate (BBP): < 0.1%
- Dibutyl phthalate (DBP): < 0.1%
- Diisobutyl phthalate (DIBP): < 0.1%

If DeVal Ltd are made aware of a change that would affect an assembly we will advise our customer immediately. Evidence of compliance may be obtained from sources such as delivery documentation, online catalogue pages and package labelling. Furthermore all DeVal Ltd purchase order state that parts must be compliant.

We also expect due diligence from our customers to ensure that parts stated on their parts lists are compliant and fully suited to end use.
